Northwest Plumbing Gears Up for Winter with Expert Furnace Repair Services

February 24, 2025

DAVENPORT, Iowa - February 24, 2025 -
Northwest Plumbing, Heating & AC is gearing up for the colder months by highlighting their furnace repair and installation services. As the chill sets in, the importance of a warm and efficient home becomes clear. Northwest Plumbing Heating & AC provides a wide range of heating solutions that cater to the needs of residents in the Quad Cities area. Since 1923, the company has been known for its quality service and dedication to customer satisfaction.

When temperatures fall, having a reliable heating system is essential. Northwest Plumbing, Heating & AC covers all aspects of heating services, from repairing old furnaces to installing new ones. Their skilled technicians can handle various systems, including gas, electric, and geothermal. Fast and reliable service ensures that homeowners won't be left in the cold.

Bill Durand, the General Manager, emphasized the company's dedication to its customers. "Our team knows how important it is to have a furnace that works well during the cold months," Durand said. "We're committed

to delivering top-notch service to keep our clients' homes warm and inviting." The company also offers a 24-hour emergency service to tackle any unforeseen heating problems right away.

Besides heating, Northwest Plumbing, Heating & AC offers vital plumbing services all year round. Their plumbing services include everything from water heater and sump pump work to drain cleaning and leak fixes. This comprehensive approach makes sure residents can trust them with all their plumbing needs whenever they arise.

To ease the financial burden of necessary repairs and upgrades, Northwest Plumbing Heating & AC partners with GreenSky®. They offer attractive financing options, including a special November "Deal of the Month." Customers can get a $100 discount on new system replacements. This deal celebrates their 100th anniversary and encourages customers to consider upgrading heating systems.

"Celebrating our centennial year gives us a great chance to thank our community," Durand continued. "We're thrilled to offer this discount to help make heating upgrades more affordable this time of year."

Committed to improving and adopting sustainable practices, Northwest Plumbing, Heating & AC is leaning toward more energy-efficient options in their services. This change aims to reduce their environmental footprint while meeting customers' demands for advanced climate control.

The company is active on social media, where they share updates on promotions and service news. They also provide useful resources for homeowners, delivering tips for efficiently maintaining plumbing and heating systems. With a strong reputation for quality, Northwest Plumbing, Heating & AC holds an average rating of 4.8 out of 5 stars on Google, showing their commitment to excellent service.

Northwest Plumbing Heating & AC looks forward to ongoing engagement with the Quad Cities community, ensuring every home remains cozy no matter the season. By providing both heating and plumbing services, they continue to be a trusted source for essential home care. For more information on services, monthly deals, and financing options, visit their website or follow their social media for updates.

These efforts help Northwest Plumbing Heating & AC maintain its legacy of quality as they move into their next century of service.
